

## Pastoral Internship Job Description

### About Providence Church

Providence Church is a Christ-centered, PCA (Presbyterian Church in America) community in West Hills, CA, planted in 2022. We are committed to loving God, loving one another, and loving the San Fernando and Conejo Valleys. We believe our stories begin and ends with Jesus, and we strive to live with open hands, giving freely and welcoming all who join. Our culture is rooted in prayer and discipleship, equipping members to live out their faith in meaningful, creative ways that reflect their love for God and others. ### Internship Overview

Are you considering full-time local church ministry? Are you interested in planting a church one day? Our Pastoral Internship is a part-time volunteer opportunity (8-10 hours per week) designed to provide hands-on experience in church ministry while being discipled by the pastor. We offer flexible structure, allowing interns to tailor their role based on their ministry interests and goals. Through one-on-one coaching, interns will identify specific areas for development and gain practical experience in church ministry.

### Potential ministry opportunities include

- Worship Ministry
- Children's Ministry
- Preaching and Teaching
- Evangelism and Social Outreach
- Community Group coordination
- City Renewal and Community Engagement
- Creative Team (art, graphics, etc.)

### Responsibilities could include but are not limited to

- Participate in Sunday morning operations
- Attend staff meetings
- Manage church social media accounts and church-wide communication
- Help coordinate church-wide events
- Attend leadership development training
- Other responsibilities for more tailored roles based of gifting and passion.

### Requirements

- A commitment to the gospel and the authority of the word of God
- A heart for the lost and a passion for local church ministry
- Active learner and self-starter
- Currently enrolled in or recently graduated from a seminary or college program
