The congregation consists of about 250 adults from diverse backgrounds, cultures and is both multi-cultural and multi-generational, with many students, young adults, families as well as more mature members. Watermark is an independent, elder-led church, with Reformed roots, that is shaped by three deeply held values and convictions:

GOSPEL

The gospel is central to all our ministry both to Christians and non-Christians and shapes the very ethos of our church.

COMMUNITY

Genuine community is born out of the gospel and is necessary for spiritual growth and maturity.

MISSION

The mission of Jesus to reach the lost with the gospel, calls us to pour ourselves out for others.

Additionally, we have a desire to both plant new churches and work with other churches across Hong Kong to see the kingdom of God advance in our city.
